

# BIRDS of MT. SPOKANE STATE PARK

Compiled by Ron Dexter, Feb. 2003

<p><b>See Key at bottom of page;</b></p> <p>These birds occur as noted within the Park contiguous boundaries</p>	<b>FLYCATCHERS</b>	<b>PIPIT</b>
	B-C Olive-sided Flycatcher	O-M American Pipit
	B-U Western Wood Pewee	
	B-L Willow Flycatcher	<b>WAXWINGS, SHRIKES, STARLING</b>
	B-C Hammond's Flycatcher	O-M Bohemian Waxwing
	B-C Dusky Flycatcher	B-C Cedar Waxwing
	B-C Pacific Slope Flycatcher	O-R-N Northern Shrike
B-U? Cordilleran Flycatcher	P-U-N European Starling	
<b>WATERFOWL</b>	O-R-N Western Kingbird	
B-U Mallard	O-R-N Eastern Kingbird	<b>VIREOS</b>
		B-C Solitary Vireo
<b>RAPTORS</b>	<b>SWALLOWS</b>	B-C Warbling Vireo
P-U Turkey Vulture	P-U-N Tree Swallow	P-L-N Red-eyed Vireo
B-U Sharp-shinned Hawk	B-U Violet-green Swallow	
B-U Cooper's Hawk	O-R-N Bank Swallow	<b>WARBLERS</b>
B-U Northern Goshawk		B-C Orange-crowned Warbler
B-C Redtail Hawk	<b>CORVIDS</b>	B-C Nashville Warbler
B-U American Kestrel	B-C Gray Jay	B-C Yellow Warbler
O-M Merlin	B-C Steller's Jay	B-C Yellow-rumped Warbler
O-M-N Peregrine Falcon	B-U Clark's Nutcracker	B-C Townsend's Warbler
	O-U Black-billed Magpie	P-L-N American Redstart
<b>GALLINACEOUS BIRDS</b>	B-C Common Raven	P-L-N Northern Waterthrush
B-U Blue Grouse		B-C MacGillivray's Warbler
B-U Ruffed Grouse	<b>CHICKADEES</b>	O-L-N Common Yellowthroat
B-U Wild Turkey	B-C Black-capped Chickadee	B-C Wilson's Warbler
B-U California Quail	B-C Mountain Chickadee	
	B-C Chestnut-backed Chick	<b>TANAGER</b>
<b>SHOREBIRDS</b>		B-C Western Tanager
O-R-N Killdeer	<b>NUTHATCHES, CREEPER</b>	
	B-C Red-breasted Nuthatch	<b>SPARROWS</b>
<b>OWLS</b>	P-U White-breasted Nuthatch	B-C Black-headed Grosbeak
P-R-N Western Screech Owl	P-U Pygmy Nuthatch	B-U Lazuli Bunting
B-U-N Great Horned Owl	B-C Brown Creeper	B-C Spotted Towhee
B-C Northern Pygmy Owl		B-C Chipping Sparrow
B-U Barred Owl	<b>WRENS</b>	B-C Fox Sparrow
O-R-N Great Gray Owl	P-R Rock Wren	B-C Song Sparrow
O-R-N Long-eared Owl	B-U House Wren	P-M White-crowned Sparrow
P-R-N Northern Saw-whet Owl	B-C Winter Wren	B-C Dark-eyed Junco
		O-M Snow Bunting
<b>NIGHTHAWKS, SWIFTS</b>	<b>DIPPER</b>	
B-R-N Common Nighthawk	P-L-N American Dipper	<b>BLACKBIRDS, ORIOLES</b>
B-U Black Swift		O-R-N Red-winged Blackbird
B-U Vaux's Swift	<b>KINGLET</b>	O-R Brewer's Blackbird
B-U White-throated Swift	B-C Golden-crowned Kinglet	B-C Brown-headed Cowbird
	B-C Ruby-crowned Kinglet	P-L-N Bullock's Oriole
<b>HUMMINGBIRDS</b>		
B-C Black-chinned Hummingbird	<b>THRUSHES</b>	<b>FINCHES</b>
B-C Calliope Hummingbird	P-R-N Western Bluebird	O-M Gray-crowned Rosy Finch
B-C Rufous Hummingbird	B-C Mountain Bluebird	O-M Pine Grosbeak
	B-C Townsend's Solitaire	B-C Cassin's Finch
<b>WOODPECKERS</b>	P-L-N Veery	B-C House Finch
B-C Red-naped Sapsucker	B-C Swainson's Thrush	B-C Red Crossbill
B-C Downy Woodpecker	B-C Hermit Thrush	O-M White-winged Crossbill
B-C Hairy Woodpecker	B-C American Robin	O-M Common Redpoll
O-R-N White-headed Woodpecker	B-C Varied Thrush	B-C Pine Siskin
P-R Black-backed Woodpecker		B-U American Goldfinch
B-C Northern Flicker	<b>MIMIDS</b>	B-C Evening Grosbeak
B-C Pileated Woodpecker	P-L-N Gray Catbird	

**KEY:** **B--**Breeding in Park. **P--**Possible breeding. **O--**Observed only. **C--**Common in Park. **U--**Uncommon, sparse, hard to locate. **R--**Rare, reported fewer than 5 times. **L--**Lower riparian areas only, some presumed due to close proximity of sightings just outside the Park borders. **M--**Migrating species seen sporadically from Sept-May. **N--**Not seen within Park boundaries by this compiler, but reported by other reliable persons. **Note:** Other species not listed have been observed during migration or flyover, but are not listed due to insignificance or lack of evidence. This document may be copied and/or distributed free of charge. Compliments of "The Friends of Mt. Spokane". Photographs by Ron Dexter
